Subject: Request for Stop Sign

Alderman Able,

While attending the ribbon cutting for the new playground equipment at Emma Radandt Park this past weekend, a few neighborhood residents asked if a stop sign could be placed at the corner of 21st and Flambeau St. With the increase of homes being built (mostly Habitat for Humanity) and the new park, the need for traffic to slow down is ever increasing.

I would assume the most feasible spot for the stop signs would be going east and west on 21st St, but I would defer to the Police Department for their opinion.

Jean Wakefield from Habitat for Humanity is my contact (cc'd in this e-mail). Would you consider adding this request to your next Public Safety agenda?

Thank you.

- Justin
