

Memo

To: Honorable Mayor Justin Nickels & Personnel
Committee Members

From: Todd Blaser, Chief Fire Rescue

Date: March 13, 2025

Re: Grievance Settlement Resolution

On February 5th, 2025 a grievance settlement was reached between City Administration and Local 368; regarding Fire Administration use of mandated overtime. Prior to holding our arbitration hearing before WERC arbitrator, both sides were able to come to agreement and settle the grievance, with the attached resolution explaining the details of the compromise. I ask for your support of the resolution as presented .
