Subject: Raffle License - City Organizations?

Hi Gentlemen,

One of my good friends repairs and restores motorcycles as a hobby. He's working on one right now to donate to the skatepark expansion project, a Honda CB 350. We would like to Raffle the motorcycle, ideally announcing the winner at the skatepark benefit @ the bridgeview bar on October 6th.

I've contacted a few charitable organizations to see if they could help us with the raffle (Rotary Club, Lions Club, Jaycees) and haven't had any luck yet.

Do any city organizations hold raffle licenses? Police/Fire department? If so, please let me know who I could contact to work on this. We anticipate making about \$2,500 on this raffle, which could be the final chunk we need to meet our fundraising goal by December 1st.

Thanks Guys,

-Kris
