INSPECTION & PLAN REVIEW PERFORMANCE

NEIGHBORHOOD SERVICES

2016 has been a busy year. The Department has made many operating changes and have developed SOG's to create a standard of work for all employees to help create efficiency and consistency that will benefit our operations both internally and externally. 2017 has been named the year of Accountability by our Department. We are educating the contractors on the permitting and inspection process. As we hold them accountable we will also hold ourselves accountable to deliver timely and quality inspections.
