INSPECTION & PLAN REVIEW PERFORMANCE

NEIGHBORHOOD SERVICES

The Division of Life Safety is looking forward to another busy and productive year. Besides the regular permits and inspections, we will be focusing on raze/repair issues with a number of properties. With the budget support from the Mayor and Common Council we will identify blighted properties and have the owner repair them or raze them. If need be we will take legal action to have them taken down.

Received call from neighbor about vacant house with possible burst frozen pipes. Deputy Chief Kadow and Matt Wallander PD Shift Commander went to the property. Door was ajar. The house was cleared by PD. Found that the toilet on second floor froze and caused water damage. The windows on second floor were actually screwed open to let cold air in. Furnace is not working. MPU was contacted and shut water and electricity off to the house. The inside is not livable. The house was placarded stating it is uninhabitable. House was secured when we left. Owner will be notified.
