FROM: Jennifer Hudon, City Clerk/Dep. Treas.

RE: License Refund

Mr. Paul Hoffman, Agent for Petskull Brewing Company LLC applied for a Class "B" beer license in the City of Manitowoc. Mr. Hoffman is also in the process of obtaining a brewer's permit from the state of Wisconsin. In his conversations with the state, it was discovered that since he is applying for a state permit, he cannot apply for a Class "B" license from the city of Manitowoc because he does not have a restaurant.

The license was never advertised in the paper, so no funds were spent from his application fee. Please recommend refunding his application fee and advertising fee in the amount of \$58.34.
