

Dear Manitowoc Library :

We moved away 3 years ago, but I could not forget I owed money to the library. I think it was \$4, but I'm sending \$5 just in case is more.

Thanks for the dedication of the Library staff to the community. We haven't found a library here that compares to the programs, the space and the

Kindness we experience in the Manitowoc and Two Rivers Libraries.

Thank you!

Claudia Clark.
