Subject: BBQ Outside - City Council

Good Afternoon Debra,

To City Council:

We conduct pairing classes once a month here at The Hearty Olive. Our next class is titled "Sizzlin' Summer: Food for Backyard Barbeques and Tailgating". I am requesting permission to grill outside by the store. We will be using just one grill. I checked with Jessica Wanserski – County Health and she gave me the guidelines we need to follow.

Location: 921 S 8th Street – Corner of 8th and Jay Street.

Date: June 21, 2017

Time: 5:30 pm till 7:00 pm

Class size: 25

If you have any other questions, please let me know.

Thanks,
Rick Couron
