Subject: Thank you and next steps

Good morning Mayor Nickels and Chief Reimer ,

Thank you for meeting with Deb Keil and me to discuss possible solutions for the Meadow Lane traffic concerns that impacts staff and clients at Holiday House. We are very interested in speaking with the Safety Council to make a plea for approval of an RRFB install. We have a lot of enthusiasm here about the idea of the RRFB being installed on Meadow Lane, including our Client Council member. Our Client Council met this week and plan to make a video and posters for us to bring forth at the Safety Council meeting.

I also wish to note that we are working on the funding side of the project as well. We had a nice donation earlier this year that we are hopeful we can earmark for this project.

Again, thank you for your time and consideration! Look forward to hearing back about when we might be added to the agenda.

Respectfully,

Deanna Genske

Executive Director
