Subject: Fwd: Personnel Committee Agenda Item Requests

Chairman Sitkiewitz:

Would you consider adding to the Personnel Agenda: **Discussion and Potential Action: Business Relationships**. I'd like the Committee to consider my request to meet with Economic Development Director Nic Sparacio and our local businesses. It's a simple matter of scheduling. To foster successful private-public partnerships for economic growth, we need to have relationships with our businesses. I'd request the committee to direct staff as appropriate.

Thank you for your consideration.
