Mike Howe, Public Safety Chairman

City of Manitowoc

900 Quay Street

Manitowoc, WI 54220

CC: Nick Reimer, Police Chief

Amber Noworatzky

Dan Koski, Public Infrastructure Director

Greg Minikel, City Engineer

Chairman Howe:

We are petitioning the Public Safety Committee to address the high speeds by automobile traffic through our residential neighborhood on Kellner Street. There are vehicles speeding well above the set speed limit morning and evening hours, deterred by no traffic slowing features, where we want to be able to walk our dogs and let our children play in the yard without fearing for safety. We compel our City experts to consider speed-reducing solutions (whether that be stop signs, speed bumps or more patrol officers especially during our local high school events) and are grateful to your proposed solutions and action upon them.

We appreciate your attention to this matter and continual work to keep our neighborhood safe.

Respectfully,

A handwritten signature in black ink, appearing to read "R.C. Gabriel". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
