Approved. We should also add this donation and any others received as a regular report to the finance committee.

We can discuss later a mechanism to capture any and all of these so they can be reported to the committee/council.

Good Afternoon,

In accordance with our new donation policy, see below.

Chad is having Cretton do some work at the Dog Park at Indian Creek. Several citizens came forward and offered to donate money towards this work. It is about \$1,000 for the work and several citizens gave checks that total \$615.00. Please give your approval to accept the donation for the Indian Creek Dog Park work. I will hold the checks until I hear back from you.

Thank you.
