Subject: Possible Finance Item

Good afternoon Alder Brey,

I have a claims settlement I'd like to run through the Finance Committee. The Melissa Bennett trip and fall claim has settled, pending committee approval, for a \$11,880.36 contribution from the City. There will be some additional contribution from the event host. In my opinion this is a fair settlement given that she was claiming in excess of \$25,000 in damages and the litigation fees would far exceed this amount. Would you be amenable to including this on one of the upcoming Finance agendas?
