Subject: Notification of Proposed Revocation of Air Permits

Dear Mr. Pauly:

The Air Management Program of the Department of Natural Resources (DNR) has performed a review of the Air Permit revocation request received on October 29, 2018. Aggrecon requested the revocation of permits 97-KWP-057 and 98-KWP-010 because it is a requirement to be eligible to apply for coverage under a General Construction/Operation Permit:

The Air Management Program of the Department of Natural Resources (DNR) received your request on 10/29/2018 to revoke the following permits.

Air Permit Numbers: 97-KWP-057  
98-KWP-010

Name of Source: Aggrecon Ltd

Street Address: 16800 Little Elkhart Lake Rd,  
Kiel, Manitowoc County, Wisconsin

The purpose of this letter is to provide written notification of the proposed revocations to the permit holder and other persons listed in s. 285.61(5)(a)2. to 5., Wis. Stats., as required by s. NR 406.11(3), Wis. Adm. Code, for construction permits and the persons listed in s. 285.62(3)(b)2. to 7., Wis. Stats., as required by s. NR 407.15, Wis. Adm. Code, for operation permits. The Air Management Program has analyzed the request for a permit revocation and has preliminarily determined that the request is approvable.

After the end of the 14 day notification period, DNR will make the final determination on whether or not Aggrecon's existing permit/permits may be revoked. Please be advised that this is only a preliminary determination. None of your permits will be revoked until a decision on General Construction/Operation Permit coverage is made.

If you have any questions regarding this matter, please feel free to contact Stanley Mermall by telephone at (920) 424-3087 or by e-mail at [stanley.mermall@wisconsin.gov](mailto:stanley.mermall@wisconsin.gov).
