Subject: Additions To The PI Agenda

Good Morning Everyone,

Thank you Alderman Kummer for the additions to the agenda next week. I know we have a short time frame because of the other meeting at 6:00 PM but I at least wanted to get a discussion going on my two items and If need be, discuss them further at a future meeting.

19 - 0031

As for the first item, **Discussion of HWY 151 and South 57th Street Intersection**. As everyone is probably aware, HWY 151 is going to be repaved from Valders east to I-43. I have been approached by a nearby resident with concerns about our intersection and the ingress/egress of the I-Park.

19 - 0032

Second item, **Discussion of Cty HWY R (Rapids Road) and Custer Street intersection**. With the bridge replacement and expansion of Rapids Road north to Four lanes, I thought now would be the time to discuss a request I received about the intersection. The person who contacted me is requesting left turn signals for traffic going east/west on Custer Street. I think there currently are left turn signals if you are going north/south on Rapids Road.

Greg, if you have a map of each intersection to bring to the meeting, I think that would be helpful.

If anyone has any questions, please feel free to ask.

Have a great weekend!
