Subject: Custer & Rapids Rd. - Proposed New Pavement Markings on Custer St. - PI Comm. Item #19-0032
Attachments: Custer & Rapids - Proposed Pavement Marking Plan.pdf

Here is the proposed pavement marking plan that we have come up with for the intersection of Rapids Rd. and Custer St.

The estimated total cost is \$25,000.

2 – Infrared Detectors for \$10,000

Traffic Signal Poles and Heads and miscellaneous items - \$5,000

Eradicating Existing Pavement Marking and Re-Painting the New Markings - \$10,000

We have sufficient money left within the pavement marking budget to pay for that portion.

However, I am not sure where we will get the funds from to do the traffic signal work (\$15,000) as this was not part of the 2019 budget.

Perhaps, we could refer the request to CAWG.
