[2019 Proposed - Mission - Vision](#)

Due to change in culture and being almost two decades ago that the current Mission, Vision, and Value Statement was created for the Manitowoc Fire and Rescue Department, a committee was formed to address the foundation of the department. The committee was comprised of all levels of the department and led by Captain Jeff Keehan. The attached documents supply the current and proposed changes that would be made. Chief Blaser is asking simply for the support of the Police and Fire Commission in accepting the proposed changes provided by the committee. Commissioner Hennessey feels the mission statement is definitely an improvement, but her personal preference for the vision statement would be to keep the current one. However, if the people that are developing it and living by it every day are committed to the proposed vision statement Commissioner Hennessey will certainly support that.

Moved by Hennessey, seconded by Sauer, that this Request be placed on file. The motion carried by the following vote:

Aye: 5 - Wellner, Sauer, Zigmunt, Hennessey and Bare

6. Discussion and Action Items - New Business
