

P.S.

This beautiful card was created
by my 40 year old autistic niece.
I thought you'd enjoy it.

Dear Kristin Stoeger,

8/14/19

I just want to thank you for
welcoming my chests (2 adults with
disabilities) into your summer reading
program for the second year in a row.

In particular, I'd like to thank June
Chase for helping create an appropriate
Level for my chests to work on their
summer reading and exercise.

We visit the library weekly, and
treat, or no treat, they always ask to
see June. She's never too busy to greet
us, listen to their news or accomplish-
ments for the week (reading or otherwise)

and June is always so gracious about it all. My clients view the library as a fun, adult, safe and welcoming place to frequent. Thanks largely to June.

Thanks to all of you for helping my clients keep books in their lives.

Handmade
with
Love

Sincerely,

Anna Stockman
