Alderman Michael Cummings – District 3
900 Quay St
Manitowoc, WI 54220

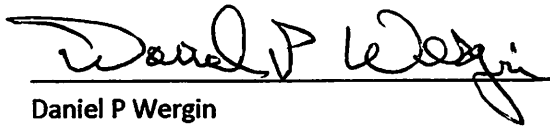

Dear Alderman Cummings,

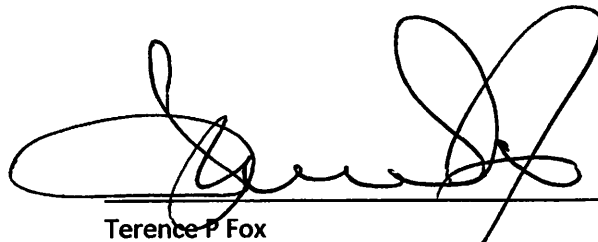

I am writing to express my wish that 8th & 10th streets in downtown Manitowoc revert to two-way traffic.

Two-way streets will;

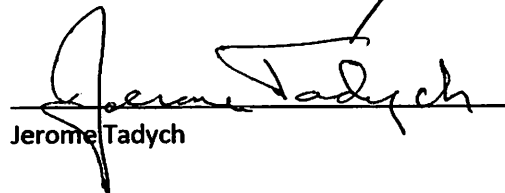

- Make residential streets safer!
- Remove 1.7 miles of state highway from residential streets.
- Slow traffic down, making streets more pedestrian friendly.
- Increase commerce downtown.
- Make it easier for you to get where you want to go by giving you the freedom to choose the best path to your destination.

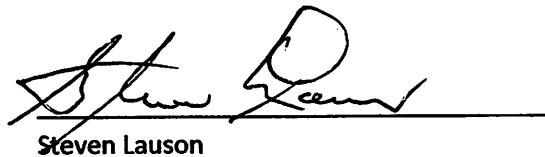

Sincerely,

Daniel P Wergin

Terence P Fox

William Schuh

Jerome Tadych
