Hi Nick-- Thanks for your visit.

The Flower Gallery and myself personally are supportive of the proposal of changing 8th street to 2-way traffic. The main reason? It doubles the exposure of my brick & mortar business to passerbys. Often, as it currently exists, 8th street is a quick way to pass through downtown, when the reality should be slower traffic, intentional visitors and ease of access for vehicles to all downtown businesses.

You have my 100% support.

Please let me know if you need anything else from me.
