Alderman Schlei.

I would request a discussion and action item on removing the 8th / Franklin Street signals and adding a 4-way stop (to be implemented when we transition to 2-way streets). I am asking for this because we are looking at ordering parts for signals for 2-way, and if we decide to make this a 4-way stop instead, we need to know that soon.

Also, a discussion on making 8^{th} / Quay a 4-way stop (to be implemented when we transition to 2-way streets). We would only need discussion on this at this point since there is nothing urgent.

I will be happy to attend the meeting to speak on these items.

Thank you for your consideration.

Justin
