Good afternoon Sgt. Krock and George Juza,

I am writing to let you know that I will be stepping down from my role as a Citizens Academy Alumni member and Crime Prevention Board member. I have recently graduated with my Master's Degree and accepted a new position at Rogers Behavioral Health that requires a significant time and travel commitment, and I want to ensure I am able to meet those responsibilities fully.

I am very grateful for the opportunity to be involved and for the learning experiences and community engagement these roles have provided. Thank you for the trust and support during my time with both groups.

Warm regards,  
Danielle Paulson
