Hi Chairman Brey,

I understand there may be a special Finance meeting prior to Council next week. I'm wondering if you would please consider including:

- Agreement with WI DOA for Wisconsin Help for Homeowners Program

It is a program that has ARPA funds available to help homeowners who are delinquent on their taxes or utility bills. The State handles the applications and ensuring applicants are eligible for funding and then issues funds to the relevant recipients, in this case – the City.

There is no cost to the City, and virtually no additional processing work other than receipting payment as outlined in the agreement, but if you have any questions please let me know!

Please let me and/or Shawn know if you are OK adding this to Monday's agenda to hopefully be included on the Council agenda.

Thank you!
