Hi Alder Sitkiewitz,

This amendment from Progress Lakeshore just came in, can we place this item directly on the December Council agenda?

Thank you!

**Subject:** External: updated Progress Lakeshore services agreement

Attached is a draft of an updated amendment to our services agreement. It adds the Village of Valders and the Village of Reedsville to the municipal partnership. This amendment does not change any financial contribution amounts or extend the date of the term (Dec. 31, 2027). Once I get the approval from all parties, I will send a document for electronic signature. Let me know if you have any questions.

Thanks!
