Dear council president, and common council

I'm writing this letter to express my interest in filling the vacant seat for alderman district 1.

I have been a lifelong resident of Manitowoc, I raised a family here and currently working here in Manitowoc, I have a strong passion for this community and its residents.

As some of you may already know, I have been involved in city government in the past serving as alderman on the Manitowoc common council representing the residents of district 6 from 2001 – 2011 also serving as council president during my tenure on the council 2004-2005, during that time I along with the rest of the council were able to achieve many wonderful things for the city of Manitowoc, and its residents such as.

The new boiler project at MPU

Brown county water pipe line

Harbor Town development

Dermatology expansion

Orion Industry's

Manitowoc Ambulance consolidation

Manitowoc Aquatic center

Manitowoc community built playground,

This is just a small sample of my accomplishments I have been a part of while serving on the common council and all while being fiscally responsible for each and every citizen in the city furthermore I would consider it an honor to continue to serve my community on the Manitowoc council again. I feel my past

experience on the council and various standing council committee's boards and commissions, I feel I can be a valuable asset to the residents of not only district 1 but the entire city of Manitowoc.

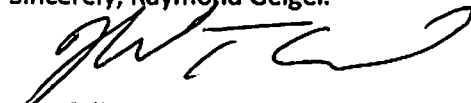

Attached you will find a comprehensive list of my history in local government

If you have any questions please feel free to reach out to me I can be reached at
