**Subject:** Two Rivers Shelter Request  
**Date:** Monday, March 31, 2025 4:18:31 PM

---

Afternoon,

Scott Suess had spoken to Sue Riely who works for the municipality of Two Rivers, and had made a request for a shelter by the Senior Center in Two Rivers. We currently have one at our Manitowoc Senior Center. I think it would be a good location for one there. It is a popular stop and with a good majority of them being seniors, I believe giving them a shelter to have a safe spot to wait, would be a good idea. I have reached out to Two Rivers already and they agree as well. So just looking for approval on our end and we can get the ball rolling. We have 2 spare shelters at DPW currently that we can use.
