Re: Discussion on Manitowoc Marine Band Fundraising Agreement for Lincoln Park Fieldhouse Upgrades

The Manitowoc Marine Band uses the Lincoln Park Fieldhouse for rehearsal, storage and meetings. The Marine Band would like to see upgrades to the building and is proposing a fundraising campaign to raise half of the funds to assist in the overall cost of the work and would hope the City of Manitowoc would consider budgeting the other half.

Recent estimates for work and past costs incurred with the renovations at Silver Creek Fieldhouse put the estimated cost of renovation at \$400,000.

A fundraising agreement would need to be put together and approved at the Finance Committee prior to the Manitowoc Marine Band soliciting donations.
