Re: Henry Schuette Park Playground Concept Review

The City of Manitowoc Parks and Recreation Division, along with Ayers Associates Inc. is presenting a concept design of Upper Henry Schuette Park for review, discussion and direction.

City staff, along with community members and Ayers planning team have been developing a master plan for Upper Henry Schuette Park. This is the first public review.

Please provide comments or questions for discussion on the direction of the master plan.

Thank you,

Brock Wetenkamp
