Good Morning Council President Sitkiewitz and Alder Brey,

If you have not heard yet, Rob Roseff (Gumby) passed away Thursday evening and part of his dying wish was to have a block party at Chewy's after the funeral. This is scheduled to occur on Saturday, September 9th, so we are asking for the attached extension of premise to go through Council retroactive.

Below you can see the e-mail that came from Tourism regarding this event.

Please let us know if you have any questions.

Thanks,

Jenny Swokowski – Deputy City Clerk,

Subject: Rob Roseff (Gumby) Block Party - Saturday, September 9

Good afternoon,

This morning Denise and Keith Roseff stopped by Clerks (so I think you're aware, Jenny) and our office to share that Rob (Gumby) past away last evening. His dying wish was to have a block party at Chewys after the funeral, which is next Saturday, September 9.

The Roseffs are currently working on the Special Event Application for this block party and will get that submitted to Erika and I today. I've touched base with the Mayor, and he's aware of the situation and will be waiving anything that's needed (late application fee).

While Chewys has an approved extension of premise for their block party the following Saturday, I did just speak with Barb on the phone, and she'll be dropping off the extension of premise request form first thing Tuesday morning for this September 9 date. Can this extension of premise be added to Tuesday's Finance agenda for approval? We're both pretty certain that Chewy's insurance is good to go.

Let us know if you have any questions. I'll be out Tuesday, but you can reach me on my cell phone.

Thanks!
