	MYBA Complex Ball Diamonds with lights (\$600)
Estimated cost per day	900

Waiver of Fees

Are you requesting a Waiver of Fees?	Yes, we are a nonprofit 501(c)(3) or acting on behalf of one
--------------------------------------	--------------------------------------------------------------

Why should this Waiver of Fees be granted?

We respectfully request a waiver of field fees for our upcoming event, which is expected to host up to 24 travel teams. This event will not only provide a competitive and engaging experience for athletes and their families but also directly benefit the local community in multiple impactful ways.

All profits generated from concessions during the event will be reinvested into local youth sports programs, helping to improve access, equipment, and facilities for children in our area. This reinvestment aligns with community development goals and supports healthy, active lifestyles for our youth.

In addition, the influx of teams and their supporters will bring increased foot traffic to local businesses. With participants traveling from outside the area, there will be a notable boost in hotel room bookings, restaurant visits, fuel purchases, and other tourism-related spending. The event is projected to generate significant economic activity for the local economy, offering a return that far outweighs the cost of field usage.

By waiving the field fees, the city will be making a direct investment not only in the success of this event but also in the broader goals of youth development and economic stimulation. We appreciate your consideration and support in making this community-focused event a success.
