Approved to go to council

Hi Alderman Cummings,

The Zoo Society is requesting permission(donation approval)to install more electrical infrastructure to support their "Lights in Lincoln Park" event. They would like to have this installed before they start setting up for the event Nov. 14. The City donation policy requires donations of this amount to be approved by Council. We already missed the Public Infrastructure meeting this month.

Would you be supportive of taking this donation approval directly to council this month?

Thanks,
