Yes. Add it to the agenda.

Mike

Ald. Cummings,

Are you O.K. with Amber adding an agenda item for the September Public Safety Committee Meeting to install a Stop Sign at Division St. and S. 9th St.

Since, the construction was completed on Division St., we installed a temporary stop sign at this intersection, but I see that there is no existing ordinance for this stop sign.

We feel that it would be best to install a stop sign here at this T intersection just like we have at S. 9th and Grand Ave. and S. 21st and Grand Ave. and probably several more.

All traffic traveling eastbound on Division St. shall stop before entering South 9th St. would be the required ordinance language.
