

Resolution No. _____

[Urban Area Name]

Approval of Changes to the [UA Name] Functional
Classification System

WHEREAS the [UA Name] Urban Area (UA) was designated by the 2020 US Census; and

WHEREAS the Urban Area Boundary was adjusted and approved by the Wisconsin Department of Transportation (WisDOT) and the Federal Highway Administration (FHWA); and

WHEREAS functional classification is the method by which roads and streets are categorized based on the levels of mobility and access they provide; and

WHEREAS functional classification of a road or street has a bearing on federal transportation funding eligibility; and

WHEREAS FHWA and WisDOT have developed guidance for functional classification of roads and streets; and

WHEREAS WisDOT periodically reviews and updates to the functional classification system of roads and streets throughout the state; and

WHEREAS these recommended functional classification changes were developed through joint review by UA officials and WisDOT planning staff; and

WHEREAS these recommended changes have been reviewed by the [UA Name][Committee/Board Name]; and

WHEREAS documents showing the recommended changes are attached; and

WHEREAS the Wisconsin Department of Transportation will, after local approval of the recommended FC changes, approve the changes and submit them to FHWA for final approval; and

WHEREAS the approved final FC map will be made available to [UA Name] after FHWA final approval; and

WHEREAS the new functional classifications will supersede the existing functional classifications in the urban area;

BE IT THEREFORE RESOLVED that [UA Name] [Committee/Board Name] hereby approves all recommended functional classifications:
