You don't often get email from erin.m@dell.com. [Learn why this is important](#)
Kevin,

Attached are two separate PE R570 server quotes, and I've also shared both to your Premier page for easy access.

The only difference between the two is the drives that are included and the quantity of those drives.

Please take a moment to review the quote for accuracy as we have a **no return policy**. We want to ensure that all the details are correct before moving forward with an order (including the billing and shipping addresses). If you find any discrepancies or would like to make any changes, please let me know. I am more than happy to make any necessary adjustments to ensure that the quote is accurate and meets your needs.
