Subject: August Finance Item #2
Attachments: WCM-010 Award - Manitowoc - Packet.pdf

Good morning Mr. Alfred,

I am pleased to announce that we received a \$75,000 award from the Wisconsin Department of Natural Resources through their Wisconsin Assessment Monies program. This will be utilized for additional environmental assessment at River Point. This grant application was approved by Resolution of the City back in February of 2023. Attached is the award letter, contract, and contract attachment. I believe the goal is to run these through Finance as they are awarded but prior to the signing of the contract.

This particular grant does not have a local match, and we submit invoices to the WDNR for payment, they pay us and then we pay the invoice.

If you have any questions or require additional information, please let me know.
