Re: Resolution to Authorize Application of Urban Nonpoint Source & Storm Water Management Grant (UNPS)

DPI is requesting approval via resolution to apply for the Wisconsin DNR sponsored Urban Nonpoint Source & Stormwater Management Grant for the Wetland Aviary Project at the Lincoln Park Zoo. This grant does require a Governmental Responsibility Resolution to be included in the application submittal.

This grant requires a 50% match. In the event of award, matching funds will be utilized from budgeted capital funds earmarked for the Zoo Wetland Aviary.

DPI will work with Legal to finalize the resolution prior to Council approval.
