RE: 2025 WIPTA Conference

Transit is requesting for the Operations Supervisor, Shanna Bratz, and myself be permitted to attend the WIPTA Conference which will be in Minnesota this year, from Oct 6th – 8th. It is a great learning experience for management in transit. Our registration and lodging will be able to be handled by our transit budget. Registration is \$275 per attendee. 2 meals a day are provided by the conference. Lodging would be handled by what we have in our transit budget. Considering, Shanna and myself are still new to our positions, this would be a great learning and networking experience for us to keep moving Maritime Metro Transit forward.

Thank you for your consideration,
Kevin Bottesi
