Report:

Update: The Common Council issued a conditional use permit (CUP) to The Haven of Manitowoc County in November of 2023. One of the conditions in the 2023 CUP was an annual review at the January 2025 Plan Commission meeting. The Police, Fire and Building Inspection Departments reported no issues or concerns at the location.

Alex Hunt, Executive Director from The Haven provided information regarding the 2024 activities at The Haven, below is a summary of his comments.

- 826 S. 19th Street location is currently at full occupancy, which is 3 individuals.
- As of 1/9/2025 both the S.19th and Marshall Street Haven locations are at full capacity. Marshall Street has 20 individuals and S. 19th Street has 3 individuals
- The Haven's operating budget is approximately \$309,000 with funding coming from various foundation grants, such as the Lakeshore Community Foundation, West Foundation, and Stangel Foundation, along with numerous individual donations from the community. Federal funding sources include the SSSG grant, CDBG-CV grant from DEHCR, and EFSP funding managed through United Way of Manitowoc County. Additionally, there has been approximately 1,620 volunteer hours given in 2024.

General Background Information:

The Haven and Wisconsin Aluminum Foundry (WAF) have entered into a partnership to provide transitional housing for up to 3 individuals at 826 S. 19th Street. WAF purchased the property for future business expansion but in the interim, before razing the structure, The Haven will use the home for individuals they serve.

The Haven's main office and administration will remain at the 1003 Marshall Street location. The 826 S. 19th Street location will be the next step for individuals before finding their own living arrangements. The Haven's main mission is to help homeless men find shelter and provide them with the resources they need to achieve self-sufficiency.

Due to the lack of affordable housing options, and the stigma of renting to individuals that were homeless, has caused roadblocks for the individuals seeking independent living. The 826 S. 19th Street location will be a step closer for the individuals seeking housing independence. The Haven is planning to have up to 3 individuals in the residence at a single time. The residents will pay a relatively low rent allowing them to save money so they have the financial means and time to find their own permanent housing.

The 2 bed, 1 bathroom, single story structure was constructed in 1940 and is 812 square feet. The 0.13 acre lot has 50' of frontage along S. 19th and it is 110' in depth.

Transitional housing is defined as: *“housing intended to provide the support needed for temporary occupants who lack a fixed, regular and adequate nighttime residence to move into long-term housing, and which is usually offered as part of a transitional program that helps homeless individuals and families become independent through counseling, job training, child care, skills training, and health care assistance.”*

Recommendation: Approve the re-issuance of the Conditional Use Permit to The Haven of Manitowoc County for the transitional housing use located at 826 S. 19th Street.
