Report: Restoration Recovery LLC is a tenant of the building owned by Richart Properties LLC. Restoration Recovery is requesting a conditional use permit to continue to operate a transitional housing use for individuals recovering from drug and alcohol dependency. Transitional housing is defined as: *“housing intended to provide the support needed for temporary occupants who lack a fixed, regular and adequate nighttime residence to move into long-term housing, and which is usually offered as part of a transitional program that helps homeless individuals and families become independent through counseling, job training, child care, skills training, and health care assistance.”*

Restoration Recovery offers recovering men an affordable housing option who are transitioning from drug and/or alcohol treatment. They also offer support and mentorship opportunities for the residents. Restoration Recovery has been located at the 1201 S. 10th Street location since June 2021; the City was recently made aware of the use and contacted the owner regarding the need for a conditional use permit. Restoration Recovery is requesting a conditional use permit for up to 16 individuals.

Restoration Recovery requires all residents to follow their house rules which are attached to this report. Some of the rules are: absolute sobriety, random drug and breathalyzer tests, attend house meetings and weekly chores.

The residence is located at the southeast corner of S. 10th and Hamilton Streets. The 0.13 acre lot has 95 feet of frontage along Hamilton Street and 60 feet along S. 10th Street. According to the Assessor records the structure has 4,640 square feet of living area; there are 10 bedrooms and 6 ½ bathrooms in the building. The building has historically been used as a two family, side by side duplex. A driveway is located on the east side of the residence and has enough parking spaces for 6 vehicles to park off-street. There are no on street parking restrictions on Hamilton or S. 10th Streets other than snow emergencies or street sweeping.

Section 16.150(11) of the Municipal Code sets a minimum square footage per occupant standard. Habitable rooms containing at least 70 but less than 100 square feet of floor area can have 1

occupant. Habitable rooms containing 100 or more square feet of floor area can have 2 occupants. The structure meets the minimum floor area standards.

The Police, Fire and Building Inspection Departments stated they have not had any major issues historically with the use and that they have no concerns with the use continuing.

Wisconsin Statute 46.234 created a Recovery Residence Registry on which Restoration Recovery is listed. If a recovery home accepts state or federal funds then it must register with the State of Wisconsin's Department of Health Services. If no state or federal funds are accepted no registry is required. No special licensing is required from any federal, state or local entity. Below is a copy and paste of the statute.

Restoration Recovery House

1201 S. 10th Street – Manitowoc

February 6, 2025

1201 South 10th Street
Manitowoc, Wisconsin. 54220

This Restoration Recovery Home was created June 1, 2021 with the goal of assisting Manitowoc County in becoming the strongest recovery community in Wisconsin.

The RRH will be run using the Oxford house model. Offering recovering men an opportunity to transition from treatment, incarceration or just seeking a new way of life free of all drugs. Rent is economical at \$18 per day with a required \$200 sober deposit which is refunded at the time the occupant gives a two-week notice and leaves on good terms. Rent must be paid two weeks in advance and includes all utilities; water, sewer, gas, and electric, as well as Wi-Fi for the whole home. A \$5 per week house fee is required from each member for incidentals bought by the house, toilet paper, dish soap, etc.

The total home is 10 bedrooms and six and a half bathrooms. Total occupancy could handle up to 16 men.

- 1201-Upstairs bedroom #1 is 12x14 with private bathroom
- 2101-Upstairs bedroom #2 is 12x12
- 1201-Upstairs bedroom #3 is 11x11
- 1201-Upstairs bedroom #4 is 16x14
- 1201-Upstairs bedroom #5 is 16x16
- 1203-upstairs bedroom #1 is 11x12 with private bathroom
- 1203-upstairs bedroom #2 is 11x12
- 1203-upstairs bedroom #3 is 11x11
- 1203-upstairs bedroom #4 is 16x12
- 1203-upstairs bedroom #5 is 16x12

There is a strict zero tolerance policy for the protection of the house. Random drug tests and a breathalyzer are on site. If there is a violation of house policy and a member uses drugs they will be asked to leave immediately and will have three days to pick up the rest of their belongings. Members can reapply in 30 days if they stay clean and may be accepted with re-interview.

With an emphasis on each member of the house becoming an independent productive member of society, we encourage members to work and eventually secure full-time employment. We are currently working with members of the community that can assist with part-time and full-time employment in construction, manufacturing, and the food service industries.

This peer-based model allows each member to participate in the everyday operation of the house. Interviewing perspective members, managing house funds, and working to resolve conflicts in a democratic fashion.

Each member will be required to attend the weekly house meeting, as well as weekly assigned chores in the house. Each member is required to attend at least two 12-step fellowship meetings per week and follow all the house rules. Violation of house rules can range from being placed on contract with the house to a reasonable fine or expulsion.

Prescribed medications are allowed on a case-by-case basis. The house places an emphasis on living clean but understands that some members require an extended period to establish their recovery clean of all drugs. Prescription drugs may be locked in the house safe if necessary and distributed after the house meeting weekly. Sharing of prescribed drugs of any kind is strictly prohibited and will result in the expulsion of all members involved.

There will be a house mentor; someone in recovery that lives outside the house that can oversee the house meeting, be available if there is an incident at the house and encourage the men in their journey.

Respectfully submitted

John Richart
