Re: Resolution to Waive Residency Requirement

## Clarifying Point

The Resolution before you, if approved, will waive the 25-mile residency requirement for Officer Richard Moehling for his current address only. If he moves from his current residence, he would have to move within the 25-mile radius or receive another waiver from the Personnel Committee and the Common Council, per the Collective Bargaining Agreement. This was implied at the Personnel Committee Meeting but it was not explicitly discussed and staff wants to ensure that the Common Council is aware of this more narrowly tailored provision in the request. Thank you for your consideration.
