Good Morning Alderman Brey –

I am wondering if you are willing to add an agenda item to your Monday meeting. It shouldn't take long.

Just a separate motion to fund the \$100,000 for the skatepark upgrades (which won't hit until the 2026 budget). The council approved this within the 2025 budget.

The West Foundation is meeting on Wednesday next week to approve their portion of the monies, and it would just be cleaner if the finance committee/council approved a separate motion (from the budget) to approve this.

Does this work for you?

Jenny, would we need that added to the council agenda under Finance then as well.

Thanks for your consideration.
