OFFICE**

To Whom It May Concern:

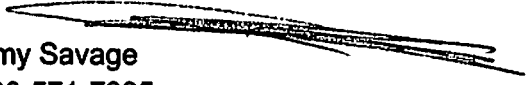

This letter is to appeal the denial of my Taxicab Driver's License and to provide an explanation.

As an imperfect human, I have made mistakes as we all have. Listed in my denial letter were my offenses- and only one of those offenses was relevant to the situation at hand and occurred over 9 years ago. As for the other offenses, I completed all recommendations as well as probation which in my eyes, was my punishment.

I take full responsibility for the consequences of my actions. However, I need to find a better way of life and the only way I can be a productive member of society is to have a legitimate job, where I can help others in my community, and provide for myself. I can't do that if I am unable to obtain employment. I have many health issues, many barriers to employment and my options are extremely limited. Please reconsider.

Thank you for your time and consideration of this explanation.

Sincerely,

Amy Savage
