I was just going through my e-mails to clean up my inbox with about 700 e-mails and came across this Report-A-Concern. I usually address these within a day or two. Not sure what happened with this one and how it fell off my radar.

Anyway, I called Nicholas right away and talked to him about it and apologized to him several times that this one fell thru the cracks. He was still happy that someone finally got back to him.

He would like the Public Safety Committee to discuss this request for flashing pedestrian crossing signs at N. 18th and New York Ave. and N. 18th and Wisconsin Ave. abutting Citizen Park and the Aquatic Center.

So, if Ald. Cummings is O.K. with discussing this request at the August 14th P.S. Committee Meeting, then we can have Amber add it to the agenda. Thanks.

Brief Description (or other problem not listed)

I was wondering what steps would need to be taken to possibly install flashing pedestrian/crosswalk signs at the corners of N 18th and New York and N 18th and Wisconsin to facilitate the safer crossing of N 18th to Citizens Park and the Aquatic Center, especially with the large number of children, mine included that have to cross N 18th and the overall disrespect of drivers of pedestrians in the crosswalks.
