MEMO

TO: Mayor & Common Council
FROM: Greg Minikel, PE, Engineering Division Manager
DATE: August 5, 2026
RE: Award for 2026 Televising Sewers Project – WU-26-10

Members of the Common Council:

The low bidder, Aqualis, for the 2026 Televising Miscellaneous Sewers – II Contract WU-26-10 had a total contract price of \$31,984.70. The first Televising contract had a final cost of \$40,069. The budget for 2026 Televising is \$70,000. In order to remain within the budget, we would have to eliminate a small amount of work from this current bid.

We contacted Adam Tierney at Aqualis in regards to accepting the bid with a reduced amount of work. He responded via e-mail that they are fine with awarding the contract with the reduced amount of work.

Therefore, we recommend that Council approve the Contract based on the revised bid tabulation which will now have a total contract amount of \$28,741.20.

Thanks.

Good morning, Greg -

I'm fine with reducing the scope by 2,500' of pipe if that's what you need to do to stay within budget.

I'll keep an eye out for the contract and will update our work order accordingly once it comes through.

Please let me know if you need anything else.

Thanks,

Adam

Subject: City of Manitowoc - Televising II Contract WU-26-10

Adam,

We would like to award this contract in August, but I am slightly over my budget allocation for 2026.

Are you O.K. if we eliminate about 2,500 LF of pipe or about \$3,250. (About 10% of the contract).

I was looking at eliminating all of Page 1 just to keep it simple. This would be a total of 2,495 LF of pipe at \$1.30/LF for a total reduction of \$3,244.

We can probably look at taking a modified bid tabulation to Council for the Award.

Let me know if this is acceptable. Thanks.
