**TO:** Manitowoc Board of Public Works  
**FROM:** Kait Piazza, Community Development  
**RE:** City Parklet

Per the City of Manitowoc Parklet Policy and Guidelines, the Community Development and Tourism Departments would like to request that the city-owned parklet be placed in the first parking stall on the southwest corner of Quay Street at the 8<sup>th</sup> Street Intersection (see attached map). Installation by the Streets Division would take place sometime in May, as weather and schedules permit.

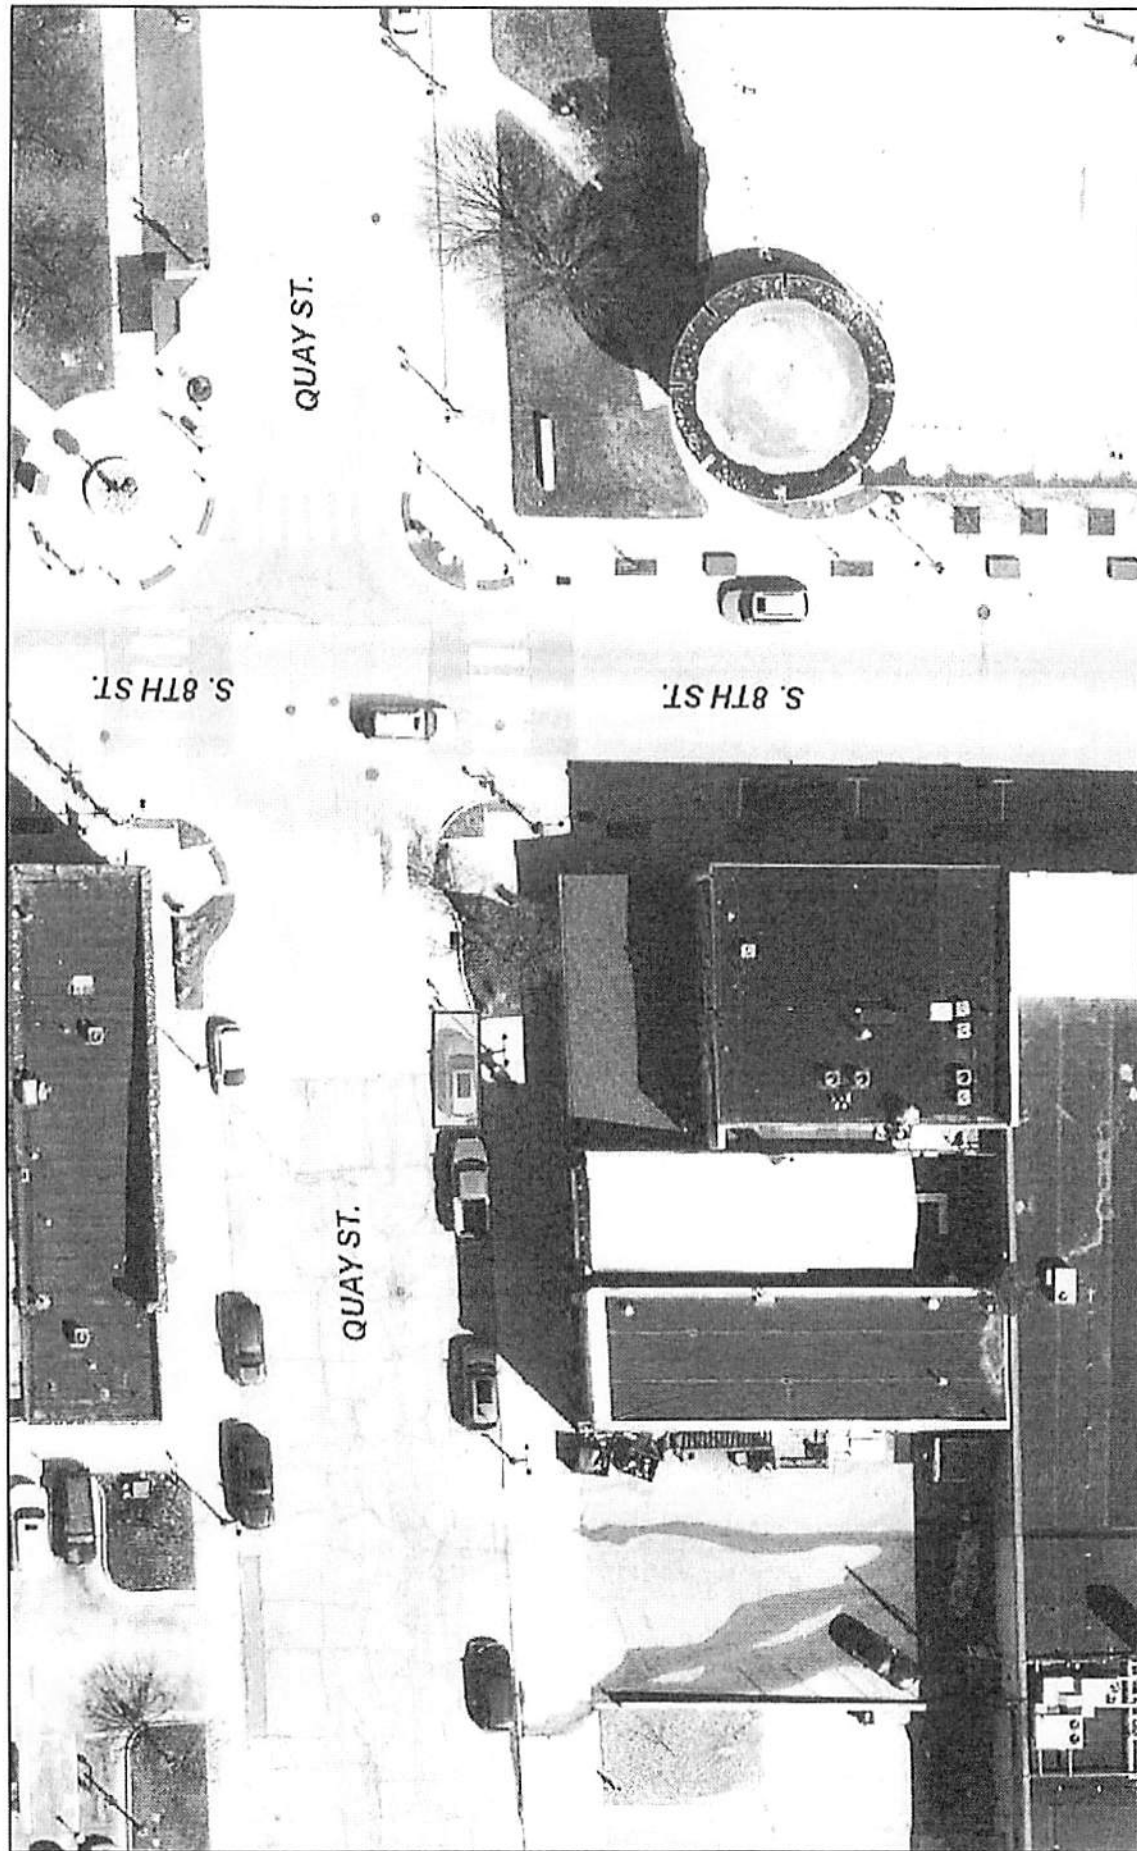

The Parklet will have seating provided by Tourism and serve as additional area for visitors and residents to enjoy. It will also allow for the City to advertise the Parklet for use by other businesses.

Thank you,

Kaitlin Piazza, Housing and Business Development Planner
