ABOUT US

Monica Kelsey founded Safe Haven Baby Boxes in 2015 after an inspiring trip to South Africa. During this trip, Monica saw a Baby Box in action and saw how it provided a safety net for parents in crisis. Monica made it her mission to help parents in crisis. The first step is raising awareness and educating the public about the Safe Haven laws.

Safe Haven Baby Boxes is the only organization providing anonymity. We make it possible to safely surrender an infant with complete anonymity. Illegal abandonments show us that mothers are seeking to keep their identity secret. We work to rewrite the story by giving mothers and innocent infants a better chance. The infant will go through a closed adoption. The birth parents are free from prosecution and know their infant is safe.

Our organization staffs a 24 Hour National Crisis Hotline, 1-866-99BABY1. The hotline has provided counseling for over 7000 callers from all over the United States. This service has led to over 150 babies surrendered at Safe Haven locations and 49 babies thus far surrendered in a Baby Box.

HOW DO THE BABY BOXES WORK?

The Safe Haven Baby Box is a state-of-the-art device. It legally permits a mother in crisis to safely, securely, and anonymously surrender her newborn.

The baby box is a temperature-controlled safety device provided for under a state's Safe Haven Law. The box is installed on the exterior wall of a firehouse or hospital.

Before the box is active, tests occur at every stage of design, development, and deployment. It features multiple alarms in the device which alert first responders of a surrender. The box's alarms are tested weekly to ensure there will be no failures. None of these alarm systems have ever failed. The staff responsible for the box is trained on how the device operates.

The parent opens the door to the Baby Box, which triggers a silent alarm and a call goes to 911 dispatch. The infant is placed in a medical bassinet. A sensor located on the inside of the box triggers a second 911 dispatch call. The exterior door automatically locks upon the placement of a newborn. Within five minutes the infant will be rescued by first responders. An interior door allows a medical staff member to secure the surrendered newborn from inside the designated building. The infant will be quickly taken to the hospital for medical evaluation.

It provides the community the opportunity to proactively save the lives of children since many are not aware of the Safe Haven Law.

Lack of knowledge about the law and prohibiting anonymity has historically produced catastrophic and devastating results of babies being abandoned.

WHY DO COMMUNITIES NEED A BABY BOX?

Many women in crisis want and need anonymity when surrendering an infant, either because of fear of being recognized, the stigma associated with the surrender, or fear of prosecution due to the lack of knowledge and misunderstanding of the Safe Haven law.

The Baby Box is tangible, and the Safe Haven law is not. By having a Baby Box in the community, you are providing an opportunity to further educate about the law.

We hope and pray for a face-to-face surrender as it benefits both the mother and infant. The Safe Haven Baby Box hotline provides counseling to women in crisis and only suggests the Baby Box when it is the last option.

Safe Haven Baby Boxes Policies and Procedures for Association with Foster Care and/or Adoption Agencies

Purpose of Policy

Safe Haven Baby Boxes (SHBB) is a registered 501(c) 3 charitable organization whose express mission is to save babies from illegal abandonment and provide a truly anonymous option for surrendering parents in accordance with each individual state's statutes.

Safe Haven Baby Boxes is not a governmental agency and is not involved in the infant's care and placement process following the legal surrender of an infant as defined by the State Statute. Safe Haven Baby Boxes expressly prohibits any affiliation, endorsement, or official connection with any placing agency, foster care agency, or adoption agency, private or public.

SHBB and its board, staff, contractors, or volunteers are not affiliated, associated, authorized, endorsed by, or in any way officially connected with any child-placing agency or adoption attorney.

This strict policy is in place in order to prevent even the "appearance" of SHBB profiting in any way from the surrender of an infant in one of the baby boxes, or directly to personnel at a fire station, hospital, or EMS provider with a baby box installed.

This policy includes, but is not limited to the following:

- No child-placing agency, or private adoption attorney will pay fees to SHBB for the installation and ongoing operation of a Safe Haven Baby Box.
- No child-placing agency, or private adoption attorney will donate money, goods, or services to SHBB directly.
- No child-placing agency or private adoption attorney will be given preferential treatment by their state's Department of Children Services or its equivalent by paying a fee or claiming affiliation with Safe Haven Baby Boxes
- No child placing agency, or private adoption attorney will raise funds using Safe Haven Baby Boxes name, or by alleging association with Safe Haven Baby Boxes.
