RE: MANITOWOC PUBLIC UTILITIES (MPU) COMMISSION

Alderman Brey:

On 30 September 2023, I will complete 25 years as a member of the Manitowoc Public Utilities (MPU) Commission. It has been both my honor and my privilege to have served the ratepayers of MPU over those years and believe that the City of Manitowoc is incredibly fortunate to have a publicly owned utility serving its citizens.

However, it is time to step aside and provide another individual with the opportunity to serve this outstanding organization.

I realize finding great candidates takes time and to that end, I would like to provide you and the committee with enough advanced notice to accomplish that task. Therefore, please accept this correspondence as my official notice that I will not be seeking reelection\reappointment to the Manitowoc Public Utilities Commission at the conclusion of my current term.

I would be remiss if I did not take the time to say thank you to you, the Mayor, the other members of the Finance Committee and the City Council as a whole for the support you have shown both to MPU and myself as a Commissioner over these past 25 years.

Thank you for the opportunity to serve the ratepayers of MPU and the citizens of the City of Manitowoc.

Respectfully,

Mark R. Seidl

CC: The Honorable Justin Nickels, Mayor
