RE: Red Arrow Beach Access Improvements – WS-16-14

On February 4, 2026 the Board of Public Works met to receive bids for Red Arrow Beach Access Improvement (WS-26-14) located in Red Arrow Park along the shores of Lake Michigan. City Clerk reported having received two e-bids. The same were opened and accepted online through Quest and were as follows:

| <u>Name</u> | <u>Bid Bond</u> | <u>Total Base Bid</u> |
|--------------------------|-----------------|-----------------------|
| Vinton Construction | Bid Bond | \$1,079,300.10 |
| Highway Landscapers, Inc | Bid Bond | \$1,137,476.80 |

The Board of Public Works motion unanimously carried to refer the bids to the Director of Public Infrastructure for tabulation and recommendation. The bids received were both reviewed and qualified.

The funds for this project were allocated in the 2025 and 2026 Capital Budget as well as a Knowles-Nelson Grant from the WIDNR. Available funding is sufficient to cover the costs of the base bid.

Based off of the total base bid, the Parks Division and DPI recommend awarding the Red Arrow Beach Access Improvements Project (WS-26-14) to Vinton Construction for a total contract value of \$1,079,300.10.
