Easement

THIS INDENTURE is made this _____ day of _____, _____, by and between **City of Manitowoc, a Municipal Corporation of Manitowoc County ("Grantor")** and **WISCONSIN PUBLIC SERVICE CORPORATION**, a Wisconsin Corporation, along with its successors and assigns ("Grantee") for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor, owner of land, hereby grants and warrants to, Grantee, a permanent easement upon, within, beneath, over and across a part of Grantor's land hereinafter referred to as "easement area" more particularly described as follows:

Part of the Parcel Described on the Attached Exhibit "B" more particularly described as follows:

Grantee shall have the right to install Grantee's facilities upon the above described Grantor's land.

It is anticipated that the facilities shall be installed in the area of Grantor's land shown approximately on the **attached Exhibit "A"**, but in all events, upon installation of the Grantee's facilities, the actual "easement area" shall consist of a strip of land twelve (12) feet in width, lying six (6) feet on each side of the centerline of Grantee's facilities as installed (including, as applicable, the center location of any pad mounts, pedestals, slabs, or similar facilities).

In the event of any replacements or additions, the easement area shall be deemed to shift to include an area that is twelve (12) feet in width, lying six (6) feet on each side of the centerline of such replacements.

- 1. Purpose: GAS** - The purpose of this easement is to construct, install, operate, maintain repair, replace and extend underground utility facilities, pipeline or pipelines with valves, tieovers, main laterals and service laterals, together with all necessary and appurtenant equipment under and above ground, including cathodic protection apparatus used for corrosion control, as deemed necessary by Grantee, for the transmission and distribution of natural gas and all by-products thereof, or any liquids, gases, or substances which can or may be transported or distributed through a pipeline, including the customary growth and replacement thereof. Trees, bushes, branches and roots may be trimmed or removed so as not to interfere with Grantee's use of the easement area.

2. **Access:** Grantee shall have the right to enter on and across any of the Grantor's property outside of the easement area as may be reasonably necessary to gain access to the easement area and as may be reasonably necessary for the construction, installation, operation, maintenance, inspection, removal or replacement of the Grantee's facilities.
3. **Buildings or Other Structures:** Grantor agrees that no structures will be erected in the easement area or in such close proximity to Grantee's facilities as to create a violation of all applicable State of Wisconsin electric and gas codes or any amendments thereto.
4. **Elevation:** Grantor agrees that the elevation of the ground surface existing as of the date of the initial installation of Grantee's facilities within the easement area will not be altered by more than 4 inches without the written consent of Grantee.
5. **Restoration:** Grantee agrees to restore or cause to have restored Grantor's land, as nearly as is reasonably possible, to the condition existing prior to such entry by Grantee or its agents. This restoration, however, does not apply to any trees, bushes, branches or roots which may interfere with Grantee's use of the easement area.
6. **Exercise of Rights:** It is agreed that the complete exercise of the rights herein conveyed may be gradual and not fully exercised until sometime in the future, and that none of the rights herein granted shall be lost by non-use.
7. **Binding on Future Parties:** This grant of easement shall be binding upon and inure to the benefit of the heirs, successors and assigns of all parties hereto.
8. **Easement Review:** Grantor acknowledges receipt of materials which describe Grantor's rights and options in the easement negotiation process and furthermore acknowledges that Grantor has had at least 5 days to review this easement document *or* voluntarily waives the five day review period.
