Chief Reimer's response is below. Sounds like it is a go (at least on a trial basis).

I think we can give it a try. I know there is a pretty large incline going up N. 8th St all the way to Retro Eighth and equal decline on the way back. Also, Washington St. where it is 4 lanes is a safety concern, but Jenn's Java is located on Washington St. so I'm not sure if they would be willing to walk a distance to make that stop.
